

HMIP Inspection

Derby's Experience

AYM

3.4.19.

HMIP Inspection

- New HMIP inspection cycle implemented from June 2018.
- Derby YOS first YJ partnership to be inspected in England and Wales.
- Fieldwork commenced 18.6.18.
- 2 weeks of preparatory work.
- Open communication line with HMIP.
- Telephone meeting before fieldwork week with LI,

Preparation/Pre Fieldwork.

- Ensure all key stakeholders aware.
- Senior LA Managers and Chair of Board are on board.
- Ensured performance/analysts are engaged.
- Gather Evidence In Advance - essential and additional evidence.
- Develop the case list.
- Give sufficient time and attention to time table.

Preparation/Pre Fieldwork.

- Developed our local story.
- Engaged senior LA Managers.
- CEO met with inspection team before day 1 LA presentation – demonstrated LA commitment to YJ.
- Brief staff regularly.
- Choose focus groups very carefully.
- Try to find out about your LI.

Preparation/Pre Fieldwork.

- Engage partners and Board.
- Ensure you are giving OOC work equal focus to post court work.
- Ensure good NS management and compliance.
- Get the logistics right!
- HMIP wil provide you with key documents in advance.

Fieldwork Week.

- Presentation is key to ensuring you set the picture for what you want HMIP to know about your local YJ story.
- De-brief sessions with staff after each case interview and focus group.
- Meet with managers every evening – KIT.
- Brief you performance lead and senior managers – KIT meetings.
